### **POLICY DESCRIPTON:**

Council sets policy for use of Elton Equipment only by Public Works employees as follows:

- Whereas to protect perceived conflict of interest all private employee use of municipal equipment must be authorized by the Councillor of the ward.
- Work must be completed during work hours at approved equipment rates.
- Elton equipment may only be operated by Elton employees.
- It is understood that during blizzard events, permanent full-time public works staff may use municipal equipment at no cost to clear their yard of snow to enable operators additional time to clear municipal roadways.
