Comments: Detail specific instructions e.g. Plow the driveway & shop yard. Watch for well on east side of yard as marked. If marking any items on the property, please ensure it is clearly visible and the markings don't fade due to the elements.			

By my/our signature(s) below, I/we certify:

- I/we have reviewed the Private Work Lane Maintenance and Rate policies on the reverse side of this page.
- I/we understand that Municipal Equipment cannot complete any work on private property until this "Request for Custom Work" form is completed and received by Elton.
- I/we understand that custom work will be completed as Public Work employees schedule permits.
- I/we understand that municipal employees will not contact the landowner prior to attendance on site.
- I/we am responsible to clearly mark any items near the work area (such as wells) with clearly visible markers.
- I/we understand that this request form will remain in effect until such time as I/we cancel the request.
- For rental properties, the Owner hereby agrees that any billings incurred by Renters will be added to the tax roll of the property if unpaid.
- I/we hereby release the Rural Municipality of Elton, its employees and Council from any responsibility or liability for property damage while performing the requested work(s).
